

VISALIA HERITAGE, Inc.

NEWSLETTER

July, 1990

VISALIA HERITAGE members recently acted as docents in the Spalding House for the June Chamber of Commerce mixer. Those touring the house found the restoration impressive and the results charming.

GOTTSCHALKS invited us to participate in their "Crafted with Pride in the U.S.A." celebration on July 6th. We had an information table at the store for the Miss America appearance.

THE CHAPEL GUILD meets periodically and the members act as hostesses when the chapel is open on special days and are present when a service is held. We still are not having the use of the chapel that we would like. So, keep it in mind and mention it to friends. It is available for all kinds of services and even meetings during the day.

THE CHAMBER OF COMMERCE Convention and Visitors Bureau often asks us to conduct tours through the Historic District. We need additional guides and hope to have a training session for members, so that we will have guides available when asked.

OUR NEW BOARD MEMBERS are Betsy Mckenney, Nan Mensinga, Peggy Mueller and Janet Walters. We are delighted to have them join our Board.

ALL MEMBERS are most welcome to attend our meetings which are held the 3rd Wednesday of every month at 7:30 P.M. Call to find out the location. We will not meet until the Fall. We need new Board members from time to time, so consider that as an option also.

VISALIA'S HERITAGE, Buildings, People, History has been republished and is for sale by Visalia Heritage, Inc., Togni's, Nostalgia and The Gift Gallery. It is a revised, second edition, 1989.
