TO

MEMBERS AND SUPPORTERS OF VISALIA HERITAGE, INC.

This has been an exciting year for us! Our latest book, VISALIA - A PICTORIAL HISTORY, has recently been released and is enjoying great success.

The dedicated group of our members who have made this book possible have been working on the project for four years. As it was underwritten generously by Visalia businesses and organizations, all profits are earmarked for our greatest project ever - the restoration of the old Visalia Library building and conversion into a children's library.

Our "Visalia" afghans have continued to sell well with the profits going also to the Children's Library fund.

With your support, we continue to award the annual \$500 Annie Mitchell Teacher Scholarship to a deserving COS graduating student.

We have repaired and are maintaining our two arbors at Mooney Grove. If you picnic at Mooney Grove, ask for arbors 14 and 15!

The Board of Directors of Visalia Heritage, Inc. wish to convey our sincere thanks and appreciation for your continuing support of our Children's Library project as well as our other worthwhile ongoing projects. We cordially invite you to attend our meetings at any time.
